## TIME: LIFE: KNOWLEDGE

Knowledge, is the cornerstone in the foundation of life. It is one of the building blocks of a better mind. It has become a basic essential to our democratic way of life and one of the greatest weapons of the free world.

To quote Paul R. Hanna: "We believe that no society can survive and advance unless its citizens understand its underlying purposes and values; unless they know where we are going and why. Our future citizens must be educated to understand these underlying currents and to commit themselves to redirect those forces that would destroy the values embedded in the democratic representative laws and institutions of the free world."

Knowledge can only be obtained through a system of education — education free from indoctrination. Men's minds must be able to develop and to function freely in a society where equal opportunities are guaranteed to all.

There are some things which cannot be learned quickly, and time, which is all we have, must be paid heavily for their acquiring.

# Class Poem

We have scaled, now, the lofty peak,
The pinnacle of youth;
The way of knowledge we will seek
To everlasting truth.

There is much that we have left behind,
Our toils, our laughter, and tears.
But in these memories we should not find
Nostalgia to accompany the years.

For nostalgia will obscure our goals,
Change remembrance to a sorrow,
Would have us shed our adult roles,
And make us fear tomorrow.

Rather in courage let us go,
With faith this dawn await.
And should oppressing clouds hang low,
Knowledge will define our fate.

We have scaled, now, the lofty peak
The pinnacle of youth;
The way of knowledge we will seek
To everlasting truth.

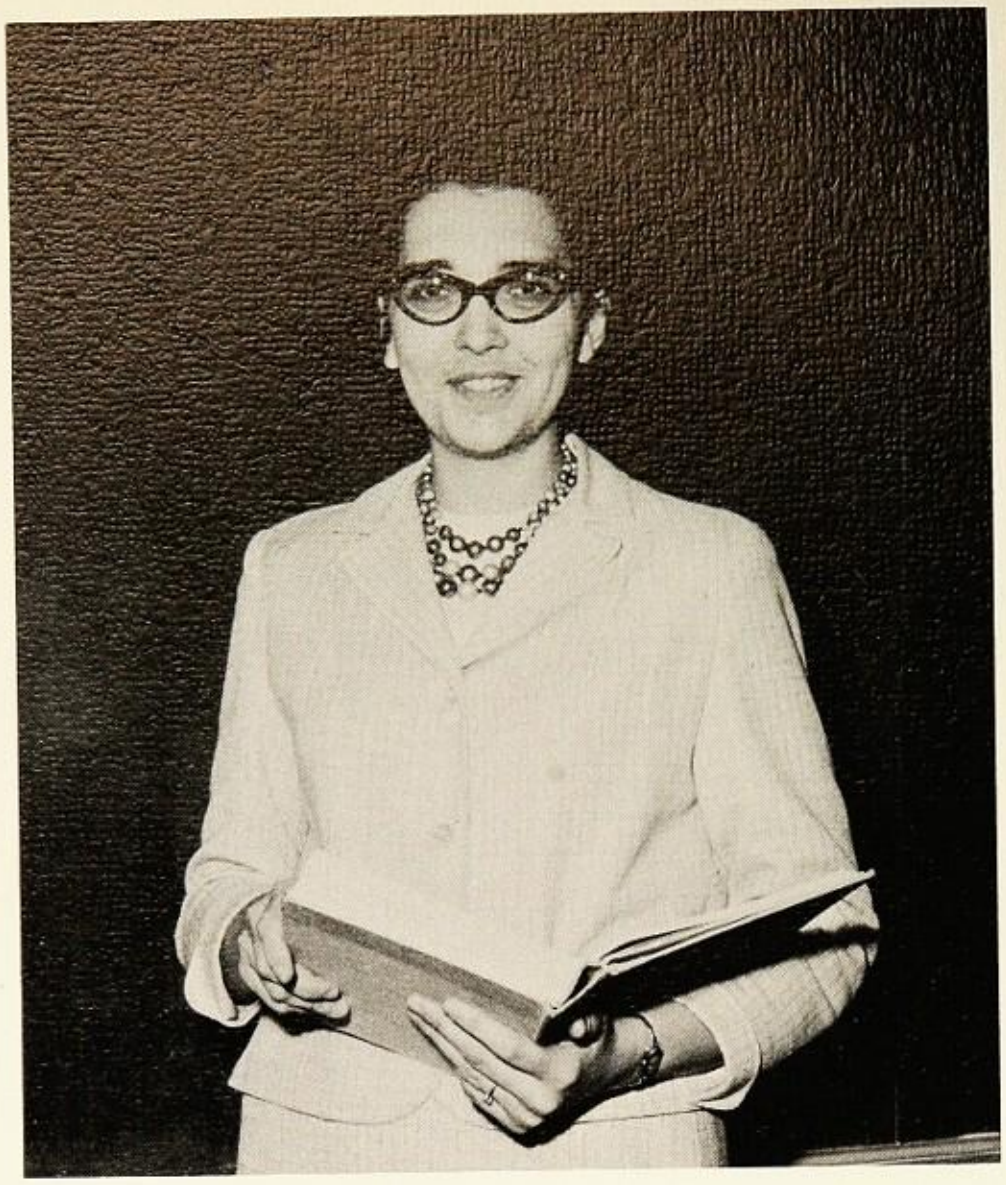
# Dedication

MRS. PAULINE FARMER

We, the Senior class of 1962 dedicate to you Mrs. Farmer, the 1962 Chronicle, a symbol of our final endeavors. Unselfishly you have helped us through a very important period of our lives. To most of us you have been more than just a class advisor, you have been a teacher, counsellor, and a friend. You have stood beside us during many trying times, listened to our problems, and shared our tears as well as our happiness. You have spent many long hours working with us. Under your firm, guiding hand we have come a long way in uniting as a class and in working successfully together.

For these reasons and many others, we dedicate to you our yearbook; our way of saying thank you for all you have done for us.

# Appreciation



MISS JUDITH ROKOSA

The responsibility of co-advisor for the class of 1962 was difficult and time consuming. The knowledge of this fact did not make you hesitant, but you gave willingly of yourself for us. Our Junior and Senior Plays would not have been the success they were without your direction. Not only were you with us during our successful happy moments, but when we headed down the wrong path you were there to turn us around and point us in the right direction. We are deeply grateful for the time, patience and talent you devoted to our class but most of all for your concern and interest in each of us.

MR. THOMAS PADDEN

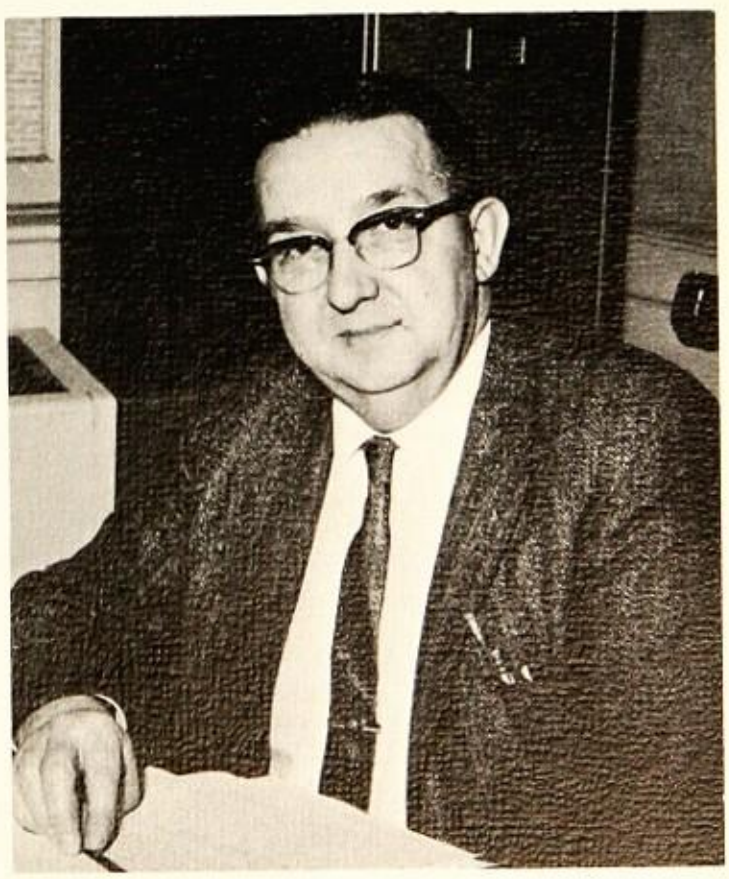
We owe you many thanks for the technical advice you have given us for our plays. Your expert guidance has benefited the class. Even when you were busy directing or acting in other plays you gave up your time for us. For this and everything else, we are grateful.

## MRS. HELEN CHANDLER

The first major project that the class of 1962 had to tackle was the Sophomore Revue. We cannot help thinking of our Revue without recalling the talent, energy, patience and time you put into this production. We are grateful to you for your fine direction and unselfish service.

## MISS ANITA ZOBBI

Entering the Freshman year the class of 1962 began its high school career an inexperienced ununified group. It was you, Miss Zobbi, who took the responsibility of organizing these students into a class. As our Freshman advisor you provided us with a foundation from which to build. You then gave us the desire to build. Our class will long remember you as the one who gave us our start.



## MR. RAYMOND JOYAL

This yearbook is one book every Senior will treasure throughout his life. We deeply appreciate the guidance you have given us in putting together our book of memories. As our Chronicle advisor you have given us the benefit of your experience and we thank you for it.

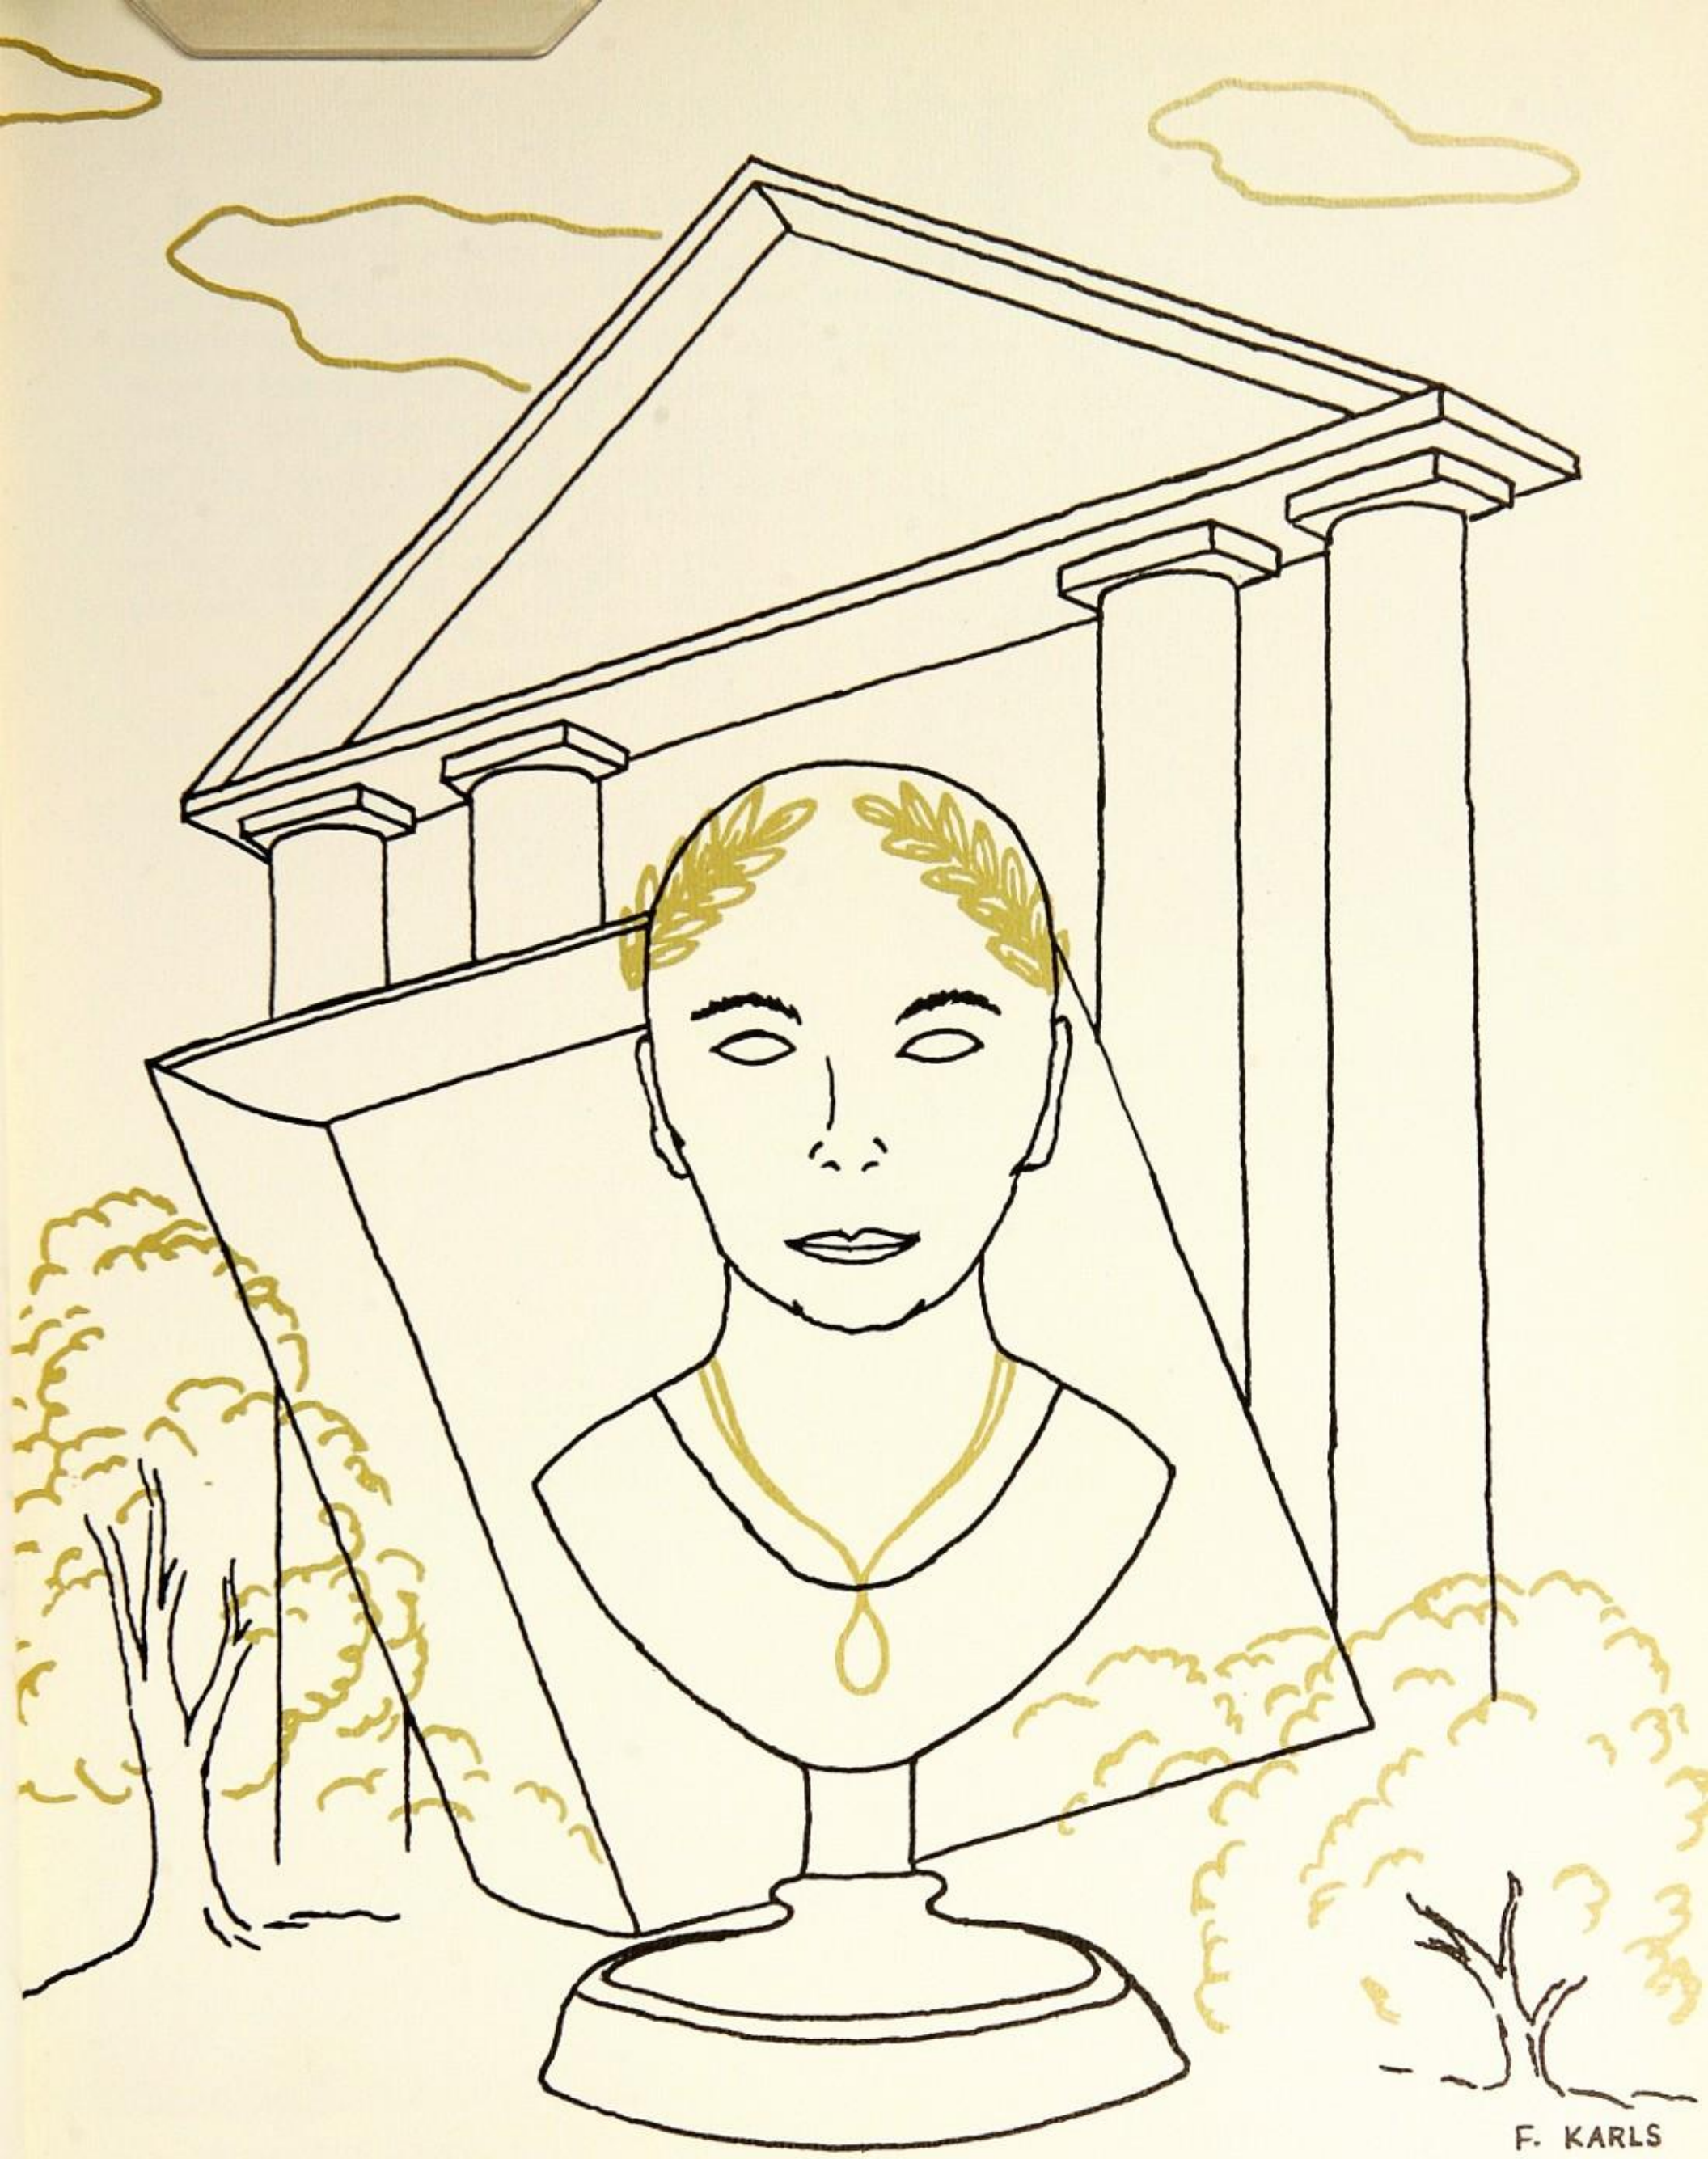
# In Memoriam

MRS. EDNA FERRUCCI

The Class of 1962 has been blessed with many fond and happy memories of our four years at Southington High School. We have also suffered a tragic loss, one which will be felt throughout our lives. This was the death of our beloved Class Advisor, Mrs. Ferrucci. Mrs. Ferrucci was our teacher, advisor, and friend. She served us in school and devoted much of her time to us after school hours.

Mrs. Ferrucci was admired and respected by all who knew her. Her death was equally felt by the administration and the student body.

This year we are graduating from Southington High School. We will be taking many things from our stay here and one of these is the fond memory of a woman whose care and guidance successfully led us to this eventful time in our lives.



# Faculty

JOHN FARR

*Superintendant of Schools*

Mr. Farr,

Your position and responsibilities greatly influence the educational achievements of all Southington High School graduates. Your guidance and help has molded our class into one of honor and unity. We appreciate all your endless efforts on our behalf and we sincerely thank you.

Sincerely yours,
The Class of 1962

# Administration

Mr. D'Angelo,

We the Class of "62" are proud to have worked with you these past four years at Southington High School. During the years we have come to you with our many problems and we are deeply indebted for your guidance and supervision in conquering these difficulties.

Sincerely yours,
The Class of 1962

LAWRENCE D'ANGELO

*Principal*

Mr. Gasecki,

Mr. Gasecki we would like to thank you for your assistance and cooperation throughout our years at Southington High. Through your interest and endeavors we have been able to accept responsibility and are now ready to follow the roads ahead.

Because of your position as Assistant Principal you have given us many guide posts which will be used in our later years.

We thank you for this supervision.

Sincerely yours,
The Class of 1962

JOHN GASECKI

*Assistant Principal*

RAYMOND WALSH

*Guidance Director*

Mr. Walsh has been our Guidance Counselor for the past three years. He has been a great asset to the students of Southington High School with both social and educational problems.

Mr. Snow has begun his first year as Assistant Guidance Counselor. He is working very closely with the incoming freshmen to aid them in taking the proper course for their future plans.

# Class Officers

Dear Seniors,

Our high school days are over, and we must now take our place in the world. Very shortly we will assume the responsibilities of adulthood. I hope that we have had adequate education so that we shall not fail.

During our four years at Southington High School we have had some very fond memories as a class, and I will always remember those who have worked diligently to make all your activities a success.

I have led this class for three of our four years, and it has meant a great deal to me, but I couldn't have done it without your help. Thank you.

Good luck and much happiness in the future to all of you.

Sincerely,

David Myjak

President, Senior Class

# Class

Boy, has time gone by quickly! When we were Freshmen, four years seemed such a long time away—remember how we thought it was pretty big to be Frosh, really "in on" things at last?

Those awful Seniors put us in our place at the Initiation Dance. I can still feel my arms ache from carrying all those books.

And did we ever find out how big that gym was—at least to push a peanut across with your nose!

Those awful signs they made us wear—we had some pretty nasty things to say about the Seniors when they weren't around, and we could turn them around to the side WE'D written on.

Class elections were a big event too, what a campaign we had! Remember all the suspense waiting for the votes to be counted? We sure picked the good leaders: President—Dave Myjak; Vice President—Joanne Zychowski; Secretary—Alyce Wink; and Treasurer— Tom Wilson.

When Curly Davis came around in February, we were all set to show those upper classmen that they weren't tops in everything. After all we had come in second when we were in eighth grade hadn't we? But we didn't quite make it, in fact, we came in last. Oh well, there were still two years to go.

And then—before we knew it, it was time to leave for a wonderful summer—and we were "almost" Soph.s.

Remember when we came back to school in September, that fall of 1959? At last we could say we weren't the "little shots" anymore!! There was another class for the Seniors to pick on besides us. We still had to be kind of careful when the Seniors were around—but our prestige was rising.

We began our Sophomore year with new class officers and a new advisor. Miss Zobbi had left to teach at Lincoln-Lewis, so Mr. Ferrucci consented to pilot another class through their last three years at S.H.S. Mrs. Chandler worked with her as our co-advisor.

Election Day came and went again. Boy, was that a wild campaign—it was really one of the hottest we ever had! And when it was all over, Ronnie Carbone was our new President. Back to serve us again were Joanne Zychowski as Vice President, and Alyce Wink as Secretary. "Money-bags" Frances D'Angelo made her first appearance as our Treasurer, boy did she ever keep after us to pay our dues. Remember how we used to tease her about what she was doing with all our money?

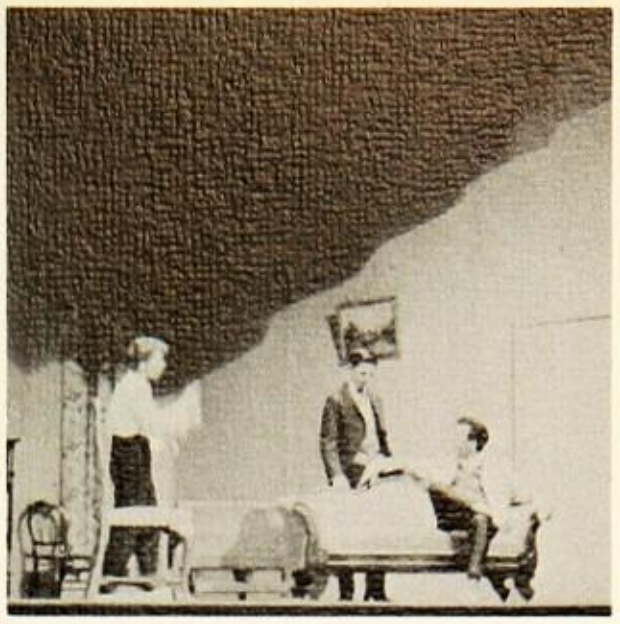
By the time Curly came around again, I remember that we were all set for another rip-roaring campaign. I guess our fervor didn't last long though. We came in third. I can see all those kids now though, climbing up that ladder to the apple tree in the cafeteria!

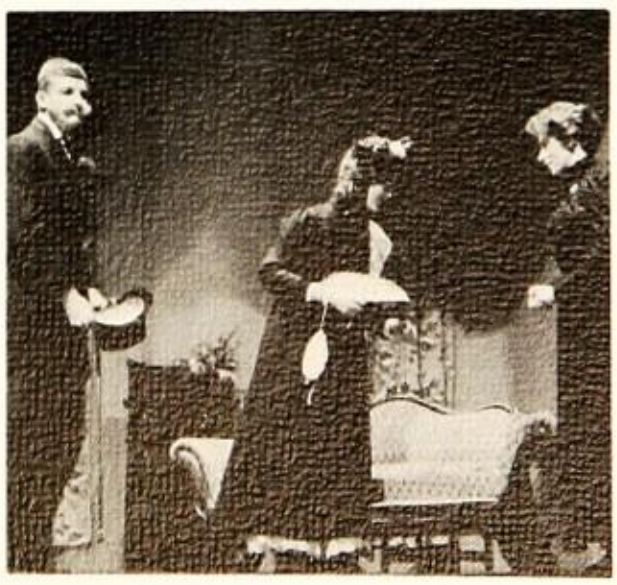
Then came our Review—who will ever forget "Oh Doctor?" We all had such a wonderful time at rehearsal, being afraid of the "bold bad" robber. Boy, did Alyce ever let out some ear splitting screams.

What about the scene with our three doctors, Coffin, Slaughter, and Cuttem, singing "Doctor, Doctor, Doctor" with their feeble patients, that song was a class hit for months! We never could have done so well without Mrs. Chandler and Mrs. Ferrucci. Mrs. Ferrucci surely went the "second mile," coming to rehearsal even with her badly broken arm. I sometimes wondered how they put up with us.

Right after Review, came the event the girls had been waiting for all year. Cheerleaders tryouts!! Remember how they postponed practice for a week so we could finish the Review.

# History





And all those moans and groans over aching muscles the next day after practice started! Some of us didn't think we'd make it up the stairs between classes.

Can't you see those stone-faced judges on tryout night now? I don't think they smiled once. And finally after two tortuous weeks of waiting, the names of the girls were posted. Ceil Belanger, Sharon Sekellick, Anna Repan, Carol Manware and Sally Hutton were the lucky girls that day.

Wasn't our Junior Year a blast!

Dave Myjak, as President, along with Joanne Zychowski as Vice President; Alyce Wink, as Secretary; and Frances D'Angelo as Treasurer really got us off to a good start with preparations for the Prom. Gee—we had almost as much fun decorating, as we did at the Prom itself! "Evening in Paris" . . . . yes, it was like an evening in Paris, and we'll never forget it. It was beautiful. Bonnalee Parcell and Kevin Kelley were certainly proud to be the co-chairman of such a heavenly prom. Didn't Bob Frascatore and Linda Libbey look regal, leading the Grande March, as King and Queen?

But soon after the Prom our class was struck with the most heartbreaking shock; the sudden death of our class advisor, Mrs. Ferrucci. No one could believe it when we were first told.

After a while we got back up on our feet, and asked Mrs. Farmer and Miss Rokosa to be our advisors. We certainly were lucky to have them accept.

What about the Junior Recital? Martha Hyneck really deserved to win with her hilarious skit about boy-girl relationships. She was so funny!! Yvonne Butler came in second with a skit about our national sports. Carol Kelly, Chris Tedesco, Pat Degnan, and Wolfgang Witz followed close behind. We certainly have a talented class.

Well! We came in third this year in the magazine campaign! We could have done better, but then again, we could have done worse, too. Fran D'Angelo, Carol Manware, Chris Tedesco, and Alyce Wink put on a hilarious skit about football players, for our class, which added an extra sum to our treasury.

Then there was the Junior Show, "Charley's Aunt." We put a lot of work into it, and it was definitely worth it! Wasn't Gary Rinkavage a riot as the Aunt!! The co-chairmen to be congratulated were Ceil Belanger and Bob Hall.

Towards the end of the year, all we heard were congratulations, to this person and that. It seems like just about every one had done something to win recognition.

Joanne Zychowski, Martha Hyneck, Ron Carbone, and Rit Krezel were chosen to attend Laurel Girl's State, and to Nutmeg Boy's State, at the University of Connecticut.

To top the year off, excitement-wise, was the Student Council elections. Three Juniors ran for President. Ron Carbone, Bob Beeman, and Gary Rinkavage all put on elaborate and stimulating campaigns. That assembly in the auditorium certainly made it seem like a national campaign for President, with the speeches, campaign managers, and the use of the town's voting machines. Ron Carbone sure looked happy when he found out that he was the winner.

Joanne Zychowski and Bob Beeman took on the tremendous task of co-editing the Chronicle. This is when their headaches began.

The last few weeks of schoolwere spent tying up loose ends and anticipating an eventful summer, then coming back to 'run' the school as Seniors!!

And then there was our most eventful and exciting year of all! We were finally Seniors, the "Big Shots" of the school.

We started the year off with a bang! What else but the Freshman Welcome Dance?? We initiated those Frosh with a lot of spirit! It didn't seem like four years had pased since we were the ones being initiated. The time has really flown, hasn't it?

Dave Myjak, President; Ed DellaBitta, Vice President; Alyce Wink, Secretary; and Frances D'Angelo, Treasurer; were elected to lead us through our last, but most important year in school. They have done a swell job over the years.

Our Senior Play was a terrific success!! We all had so much fun putting it on, and the audience received as much enjoyment while watching it. The name of it was "Night Must Fall." Sounds eerie doesn't it?? Well, it *Was!* It was all about a . . . . . MURDER. However, there was a great deal of humor involved. Pat Degnan was the hit of the show, with her hilarious off-hand comments!

How could we ever forget our "Christmas Festival?" It was beautiful! Everyone looked so nice, and we all had a ball!

By this time we were really wrapped up in activities and homework. Everyone was so busy. We certainly earned the vacation we had during the Christmas Holidays.

Before we knew it our Valentine Dance was upon us. It was so much fun! The gym looked like Cupid, himself, had decorated it. The music was divine, and the setting was ooh, so romantic! This was our last dance until the Prom.

Soon we were being measured for our caps and gowns, and shortly after that came our Class Night.

Wasn't it wonderful for all of us to be assembled together for that delicious dinner? We seemed to be more like a happy family, than a group of classmates. Everyone enjoyed themselves, but deep down was the thought that we would soon be graduating and each would be going his separate way. Each would be making his own path in the "garden" of life.

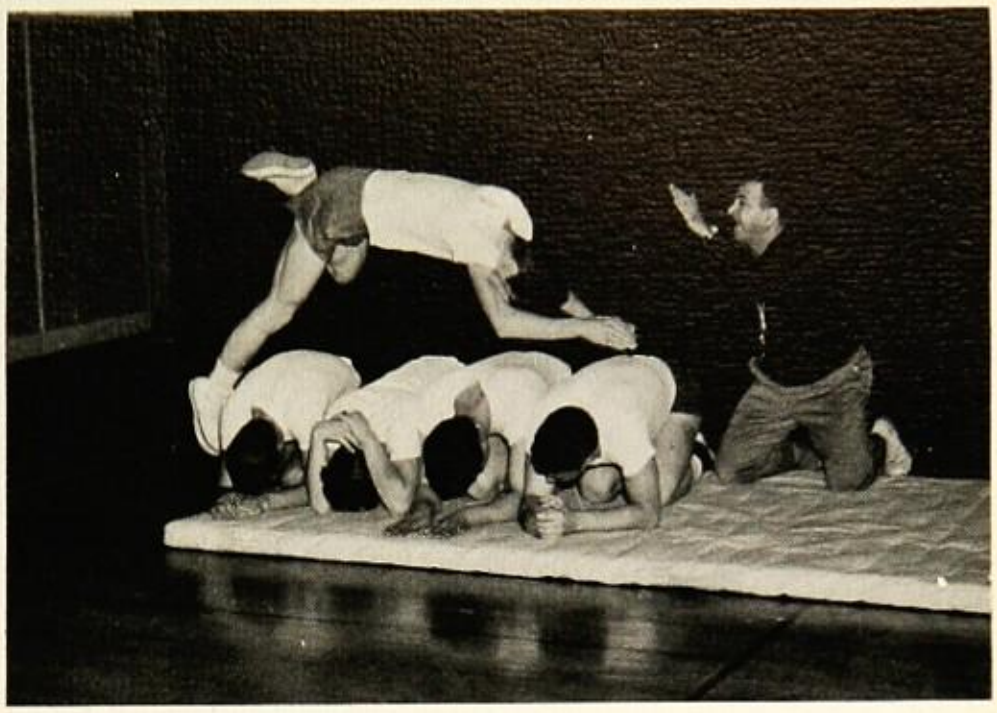
# Everyday at S. H. S.

The memories of the days spent here,
we will hold forever . . . . . .

From Physics . . .



to gym

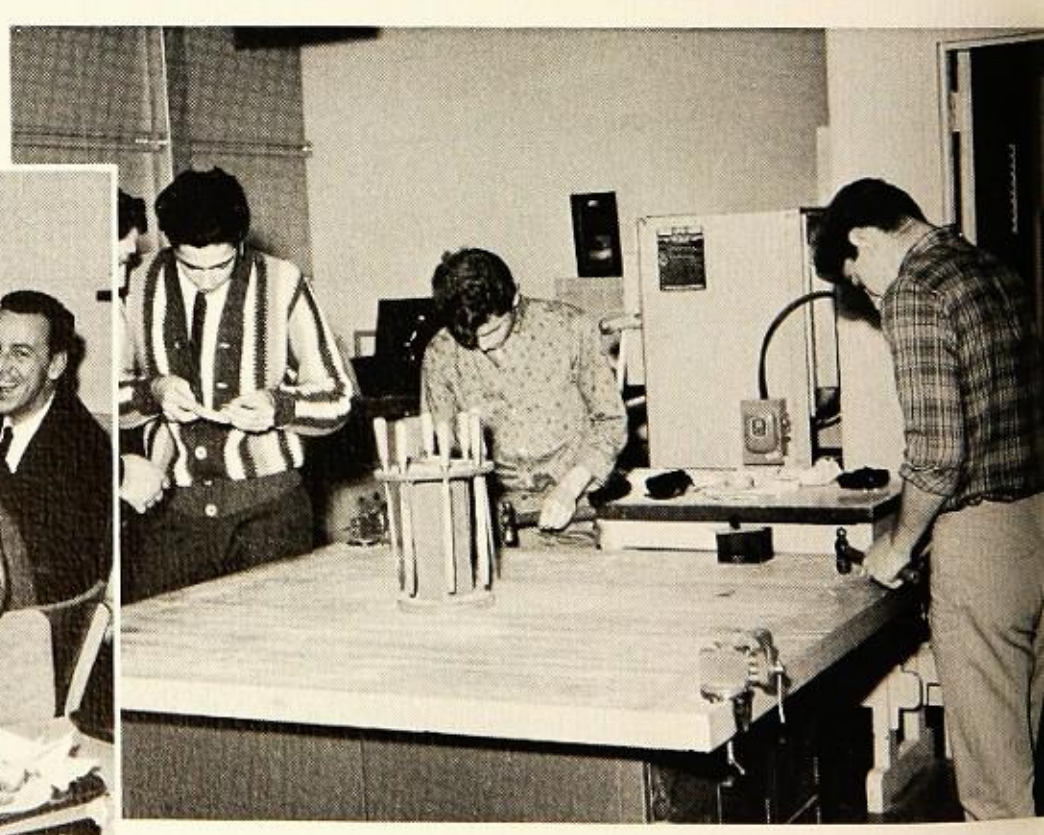
The Freshmen Welcome Dance . . . Looks pretty bad for some.

A busy day in metal shop.

Making preparations for the Valentine Dance.

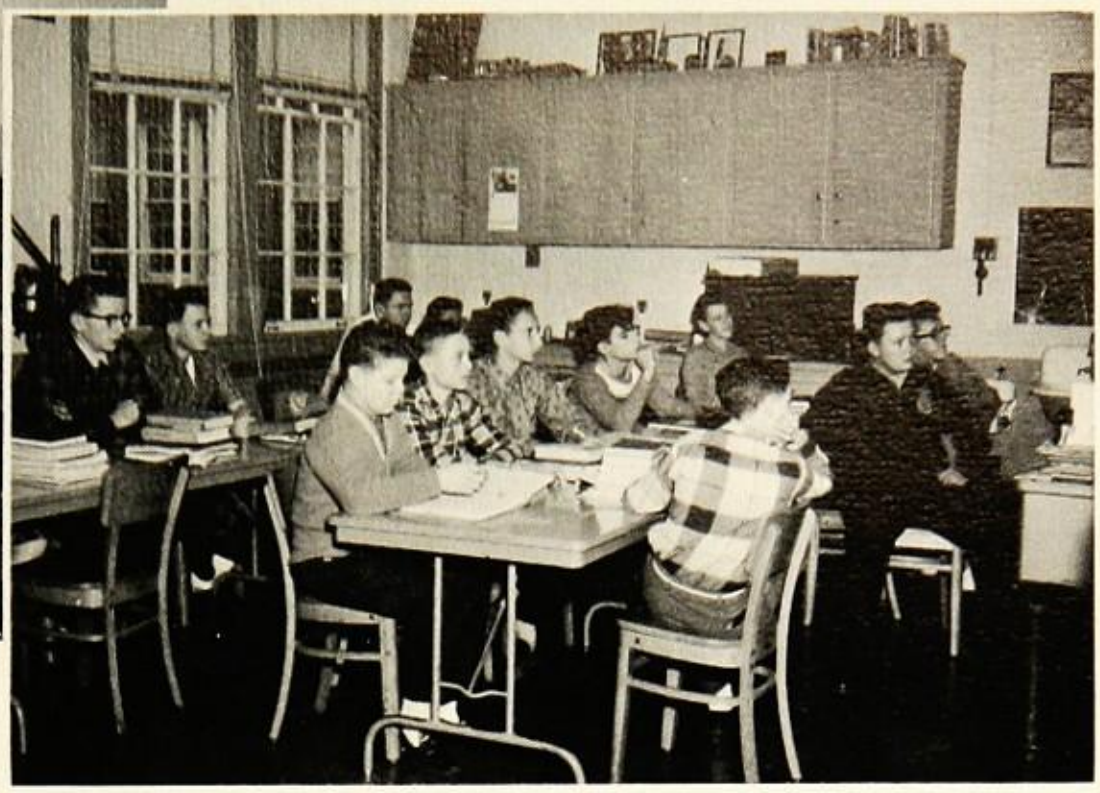
No mistakes here . . . we hope, girls!

Lunch time in the conference room. Hi there!



Here's our wood shop, let's not crack that stock.

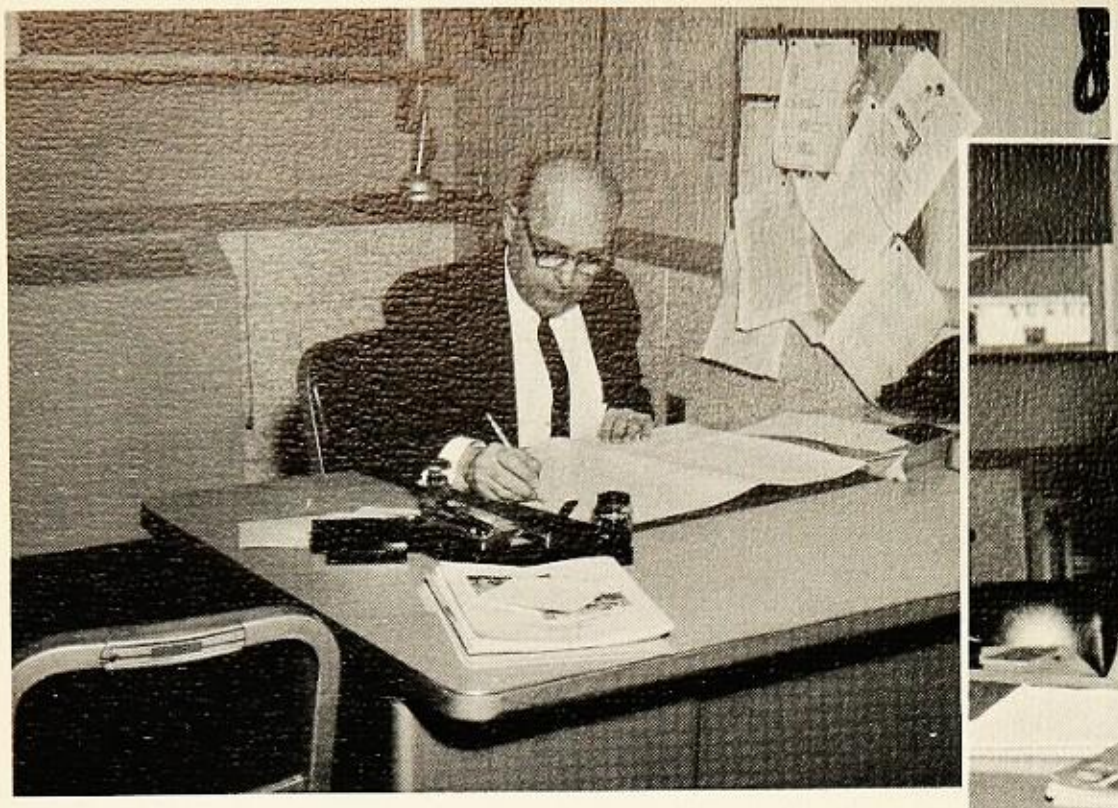
Mr. Walsh gives some counsel to Alyce Wink and Chris Tedesco.



Our Future Farmers attend class.

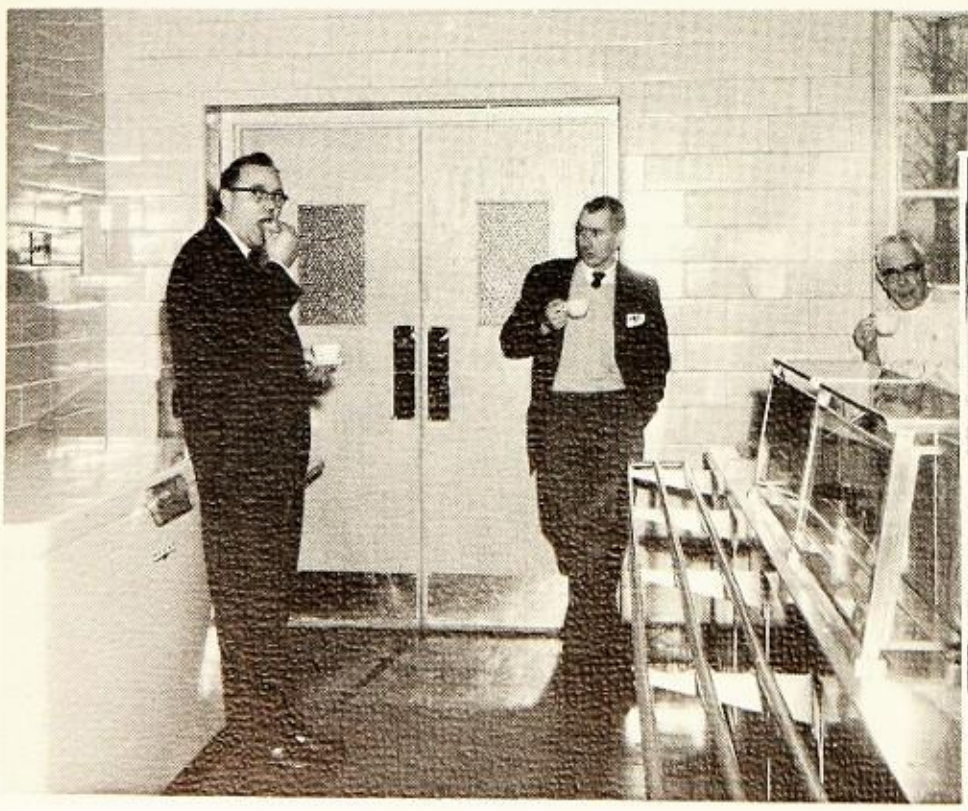
Mrs. Farmer gives instructions to Seniors for caps and gowns.

Then down to the cafeteria for measurements.



Mr. D'Angelo busy at his desk in the principal's office.

The office secretaries' take time out for lunch.



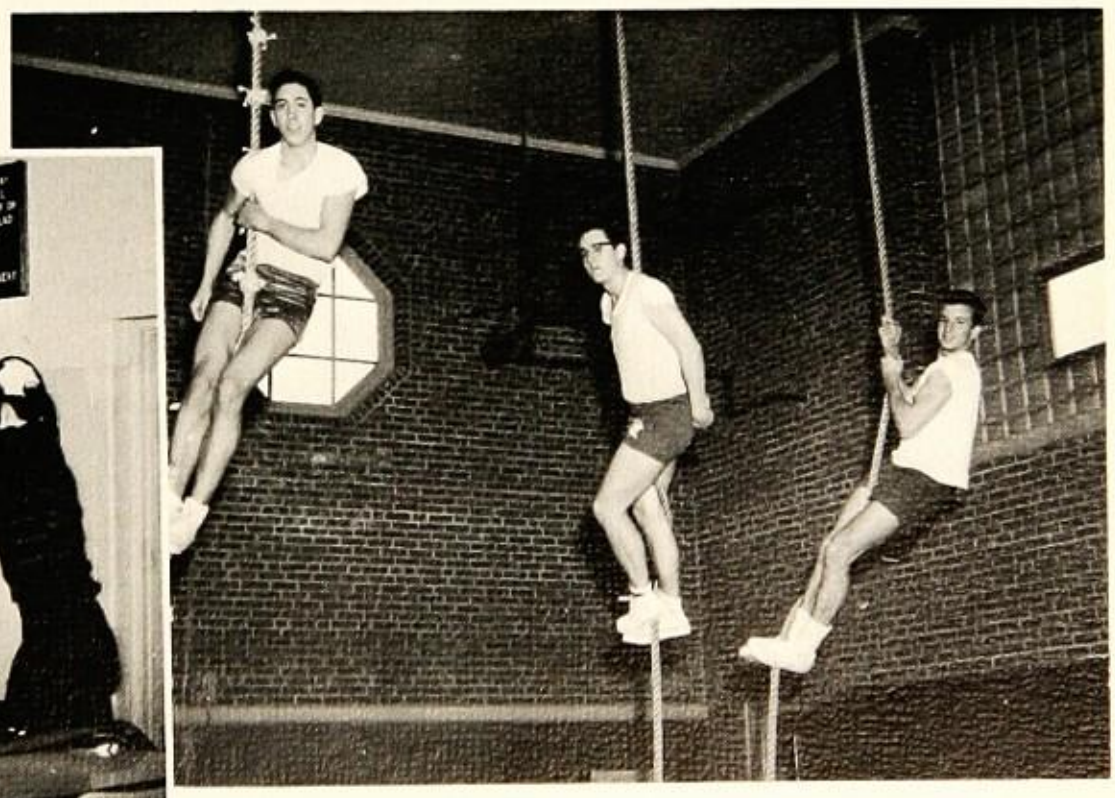
A coffee break in the kitchen "raided" by the photographer.

The "book work" of our Annual Magazine Drive.

A class of Seniors in Problems of American Democracy.

Mr. Adams looks over the work of Future Secretaries.

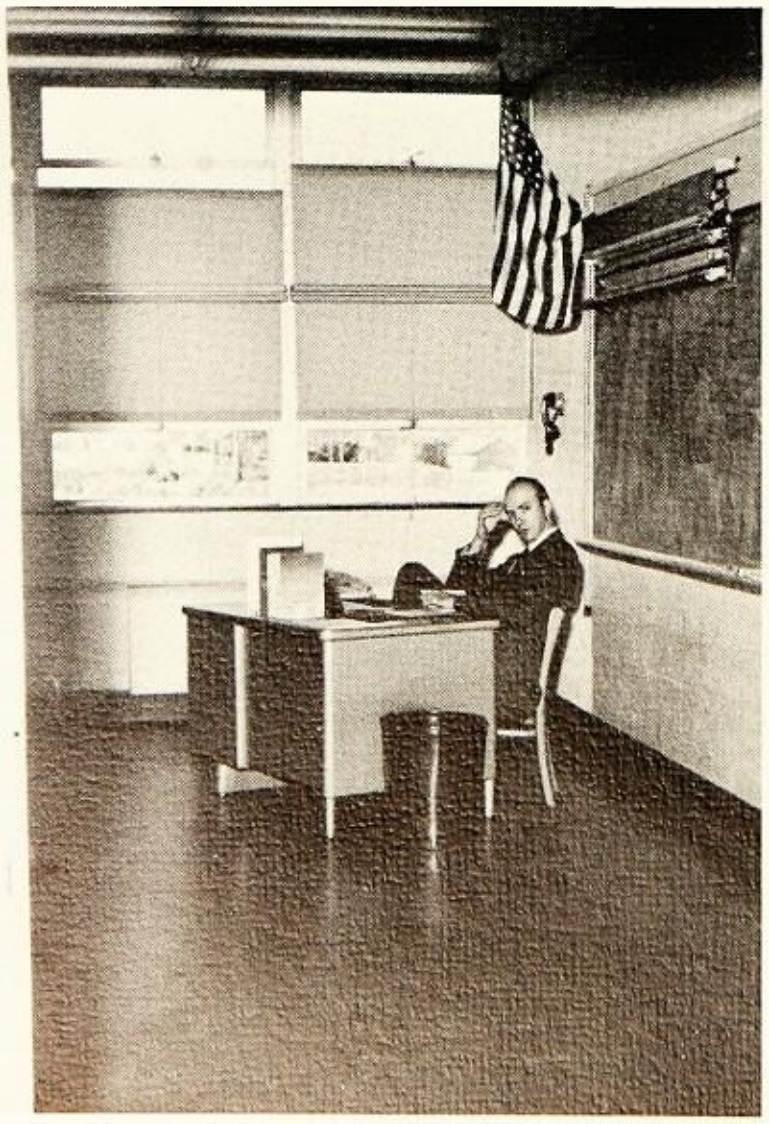
Touche, and the match begins in the Fencing club.



The Senior boys' pose illustriously on the ropes.

Art Secendo looks a little eager here to welcome the freshmen.

Pat Sunderland seems happy doing the board.



The camera "raids" again as Mr. Karish looks up.

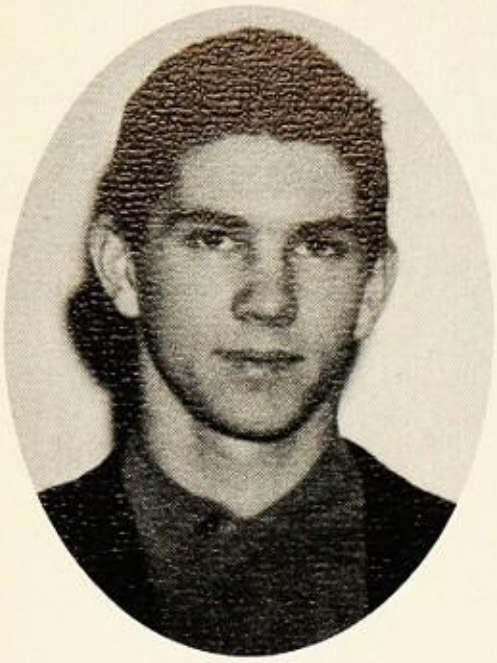
# ACTIVITIES

# NATIONAL HONOR SOCIETY



ROBERT YEICH
President

The National Honor Society elects its members annually from the top 5% of the Senior class and the top 10% of the Junior Class, on the basis of the student's success in the areas of Service, Scholarship, Leadership and Character. To be eligible for nomination a student must have a composite average of 85 or better. The National Honor Society seeks to promote an enthusiasm for scholarship, a desire to serve, and to encourage leadership and develop character in the students of Southington High School.

Under the guidance of their advisor, Mrs. Churchill, the National Honor Society has been extremely active this past year. In the fall they had their annual sale of Southington High book covers which came at just the right time, as so many books had to be covered, and then in February they held a three day sale of paperback books. The students had the opportunity to buy at a nominal cost their favorite paperbacks for their required and pleasure reading.

# STUDENT COUNCIL

The Student Council is an organization designed to represent the student body and promote the best interests of the school.

One important objective of the Council is to bring the students and faculty into closer harmony. This year the Student Relations Committee worked directly with the administration to promote better school spirit and a closer relationship between students and the administration.

Among its annual activities are the Sadie Hawkins week, climaxed with an informal dance and choosing as Student of the Week that person who has made an outstanding contribution to Southington High School during that week. Its senior members and officers take turns reading the morning announcements. Its most exciting activity is the school wide election of Student Council officers which climaxes a spirited campaign.

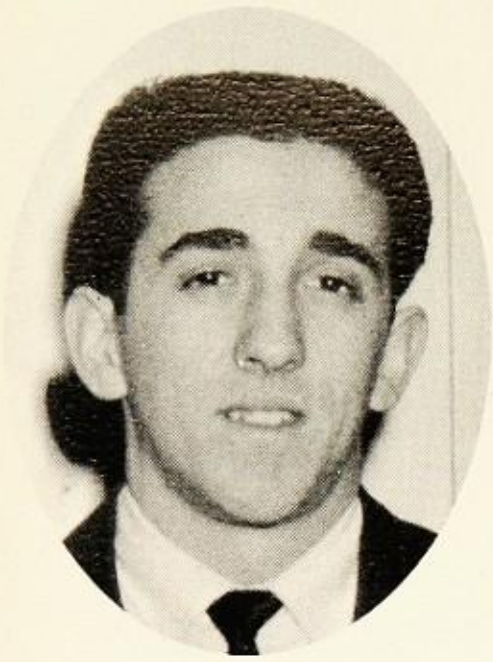
# KEY CLUB



ARTHUR SECONDO
President

The Key Club is a Kiwanis sponsored service group. Formed two years ago, this active club has brought itself honor by its many activities this year.

Under the leadership of their advisor, Mr. Triano, the Key Club has flourished into an efficient organization. Their biggest project was the Burton Turner Drive, which influenced students to write to a bady burned New Jersey man, Burton Turner. The Key Club continually corresponded with and also sent a sum of money to him. They also assisted the Leadership Club selling first aid kits to supplement their treasury and gave a badly needed polishing to our school trophies.

# THE BURTON TURNER DRIVE

The Southington Key Club of Southington High School chose as their first undertaking in the school year 1961-1962 to try to help a man who was badly burned in an explosion and who was hospitalized for ten months. This man's name is Burton Turner. The Key Club, with Arthur Secondo at their head, made the entire school body aware of Mr. Turner's plight and the letters started pouring in almost immediately. Free stationary was made available to all students wishing to write at the expense of the Key Club and the Club even offered to mail the letters. As the Christmas season rolled around, the members started to think about what could be done to make the Turner's Christmas a merry one. They decided to send him, his wife, and his children gifts so that the Christmas Tree might be just a little bit fuller. As Burton himself put it, "At Christmas these students sent me and my family many gifts. And that's not all; the Southington students have asked us to be a part of their year book." The Key Club would like to think that in some way they have helped Burton through this terrible experience. A great deal of credit must go to Arthur Secondo as he has never let the drive falter and has constantly worked to help Mr. and Mrs. Turner.

# CHRONICLE

JOANNE ZYCHOWSKI
Co-Editor

The 1962 Chronicle is the culmination of a year's work by its staff, in an effort to present a complete history of the Senior's years at Southington High. It is filled with memories, not only for the Seniors, but for the other classes, as they are included too. Despite the efforts of every staff member, the responsibility and a great deal of work rested on the shoulders of our co-editors, Joanne Zychowski and Bob Beeman. They worked endlessly as the pressure to meet final deadlines increased. Both put heart and soul into their job to make the Chronicle a treasured remnant of the Senior's high school years.

Joanne Zychowski and Bob Beeman, Chronicle co-editors, wish to thank all those teachers and students who have helped to make their job a little bit easier. It has taken a great deal of cooperation on the part of the faculty, administration, and students to produce this book, and they know that the Seniors will treasure it for many years to come. Thus with thanks they present this momento of the Senior's high school years, the 1962 Chronicle.

The Emblem brings to the students a newspaper on current events at Southington High School and a magazine with stories, news features, and jokes each month for their enjoyment. It gives the students with writing ability a chance to be a part of an active and productive staff, which numbers over fifty. Since 1955 the Emblem has received a Medalist honor or first place in The Columbia Scholastic Press Association. Each year the Emblem jointly sponsors the Talent Show with the Student Council.

# PEP CLUB

This year the Pep Club was finally brought into focus for the first time in many years, under the leadership of Miss Zobbi and Cathy Conway. Due to a lack of funds, the club has not been able to be as active as it would have liked to be, but they pitched in to root for our boys at every game. During December they received the megaphones which they had ordered, and used them at every basketball game. They put a great deal of effort into both Plainville games making signs and promoting school spirit. It hopes that in the future, with the proper funds, they can be even more active than they have been.

## FUTURE TEACHERS OF AMERICA

The main objective of the Future Teachers of America is to arise an interest within good students in becoming teachers. To develop a readiness in planning for College programs, it assists in exploring the information about many vocational opportunities and areas in education, and the special characteristics a teacher should have. It develops awareness of the privileges, responsibilities and awards in its profession.

Visiting Southern Connecticut State College gave them an idea about college courses and campus life. The film "Not by Chance" showed other aspects of teaching. At another meeting, two student teachers gave their personal experiences and feelings about college activities.

## FUTURE NURSES OF AMERICA

Future Nurses of America has been quite active this year. It is composed of those girls who are interested in the profession of nursing. Their main objective is to learn more about this career.

Throughout the year, the Future Nurses have volunteered their services to the Bloodmobiles and local hospitals.

An award was given to the club for fine services from the Parent's Magazine Association. A second award was presented by the Tuberculosis Association.

There have been various speakers throughout the year whose talks have been most interesting and informative.

## FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is formed to develop businesslike manners in everyday life. The main purpose of the club is to follow through the motto of Service, Education, and Progress. Mrs. Fontana, sponsor of the club, has been a wonderful help in planning their main projects which have included the mimeographing and selling of football programs, and pencil sale, the annual F.B.L.A. dance, and the F.B.L.A. Dress Right Day.

The Southington Future Business Leaders Club is a charter member of the National Future Business Leaders of America and is affiliated with other F.B.L.A. Clubs throughout the United States.

## FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is a national organization.

They bring together state groups interested in and working toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects, local, state and national in scope. It also increases opportunities for the development of leadership and intelligent participation which are so necessary in a democratic society.

The Future Homemakers of America came into being through the cooperative efforts of youth enrolled in homemaking in secondary schools in building a national organization of their own in which they may develop social qualities and promote better home life for themselves and their families.

## FUTURE FARMERS OF AMERICA

The Future Farmers of America or "F. F. A." as it is commonly known is a national organization of, by and for boys studying vocational agriculture in public secondary schools.

Some of the aims and purposes of our organization are: To develop competent, aggressive, rural, and agricultural leadership. To strengthen the confidence of farm boys and young men in themselves and their work, and to encourage members to improve the farm home and its surroundings.

Our motto consists of only four lines, but these lines are filled with practical philosophy reflecting a spirit and sincerity that shows the true viewpoint of farm youth, the "backbone of a nation." The motto is as follows: Learning to do, Doing to learn, Earning to live, Living to serve.

## GIRLS ATHLETIC ASSOCIATION

The purpose of the Girls' Athletic Association is to foster an interest in extra curricular sports among girls. The clubs membership is quite large numbering fifty to sixty.

This year the club instituted a new service to their agenda. At Christmas time the G.A.A. presented gifts of toys and candy to two disabled children in our town. The G.A.A. also sponsors the annual Sports Day. Three other schools come to Southington High to participate in a round of Badminton, Volley Ball and Basketball. Everyone has a wonderful time making friends and competing.

The advisors of the G.A.A. are Mrs. Brackley and Mrs. Prevost. Their work and devotion to the club have made it the success it is.

# BLUE KNIGHT PLAYERS

The Blue Knight Players began an active year in the fall of 1961. Auditions were held early in September and twenty-five new members were accepted in the advanced programs of the acting workshop which met every Tuesday and Thursday morning during the activity period. The workshop has become a distinctive feature of the Blue Knight Players. It gives the members a chance to study and learn different acting techniques and practice them before each other.

A new program of one act plays was instituted in order to provide more opportunities for actors to perform before an audience. Under this new set up these plays are performed for various civic organizations at one of their regular meetings.

The Dramatic Club, affiliated with the Blue Knight Players, holds weekly workshops, studying the methods and speech of the stage.

# MUSIC DEPARTMENT

RUTH ANN MASTRIANNI and JOSEPH NOLAN
EXECUTIVE BOARD

The music department consists of the band, orchestra, and minstrels. The band performs at football games, at assemblies, and at the annual Spring Concert. The orchestra performs at the Spring Concert also, and it also participates in the various seasonal Concerts such as the Christmas Concert. The orchestra also has performed before different local organizations. The band, the orchestra and the minstrels are all under the direction of Mr. Conrad Gozzo.

It is indeed an honor to become a member of the minstrels as one must have a great deal of talent to sing with the group. The minstrels sing for the many special occasions that arise during the course of the year, such as the Spring Concert, the Christmas Concert, and the annual graduation. They also perform at the different primary schools in Southington during the Christmas season.

## ARCHERY

The Archery Club is very active at Southington High School under the direction of Mr. McSorley and its membership grows larger each year.

The club teaches beginners the fundamentals or archery and provides a more advanced program for those with some experience.

Since its membership was so large this year, the club was divided into two sessions to facilitate its operation. The Juniors and Seniors met for the first half of the year and the Sophomores and Freshmen met in the latter half.

Although the club has competed with Bristol-Central High School, as yet it has not been able to conduct a meet with any of the other high schools in the area.

## FENCING CLUB

The Fencing Club was organized under the leadership of Mr. Weisner to initiate and train interested students in the basic skills of modern fencing. There are approximately twenty-one basic steps that have to be mastered and after fifty hours of training the students are qualified to enter the Amateur Fencing League of North America. Here, they will compete for the national and international championships.

## GIRLS LEADERSHIP CLUB

The Girls' Leadership Club under the Leadership of Mrs. Prevost and Mrs. Brackley is composed of senior girls who wish to develop qualities of leadership. The girls meet weekly in the gym to learn the necessary basic skills of various sports activities and during their study halls help Mrs. Brackley and Mrs. Prevost in gym classes. They help to referee games, take attendance and lead the exercises.

Their main project this year was to sponsor the Annual Bundle Drive with the Boys' Leadership Club, and they collected a great deal of clothing for use by children in the United States without such benefits.

## BOYS LEADERSHIP CLUB

Under the leadership of Mr. Orsene and Mr. Mitchell, the Boys' Leadership Club was organized to give the gym instructors aid in gym classes as the members volunteer their services during study halls. It has many other activities, however, and this year it has been active in sponsoring the annual Bundle Drive and awarding trophies to the winners of intramural sports. As a money raising venture they sponsored a basketball game featuring the teachers against the Varsity which turned out to be very successful.

1st ROW L. to R.: Sharon Sekellick, Carol Manware, Ceal Belanger, Anna Repan, Sally Hutton.
2nd ROW: Joan Frisina, Miriam Landino, Marcia Masthay, Barbara Fogg, Lynne Podolk.

The Seniors of '62

The cheerleaders are a very important part of Southington High School athletics. They are at every football game and basketball game that S.H.S. participates in. They are in back of the boys win, lose, or draw. There are ten in all; five from the present Junior class and five from the present Senior class. To be chosen as a cheerleader is one of the highest distinctions that could be bestowed upon a girl in the school. When a girl becomes a cheerleader she has every right to be proud of it, for there are a great number of girls at the tryouts and only ten can be chosen. The girls are chosen in May of their Sophomore and Junior years. The choice is based on appearance, agility, jump, and voice. The cheerleaders are picked by a panel of judges and the co-captains are then chosen from the five seniors by the graduating members of the squad.

The majorettes gain co-ordination, poise and confidence through precision drills and baton twirling. They perform at football games, assemblies, and march in parades.

Their other activities include a dance whereby they build up their treasury. This enables them to purchase new uniforms and participate in various competitions.

The girls meet once a week after school and also in the summer. The drills are taught by their instructor Major Harvey.

# HOMECOMING

Sally Hutton crowns the homecoming queen of 61-62 Janet Corbin as runner-up Carol Manware looks on.

A pep rally in the gym, Friday night October 27th climaxed a week of suspense and mystery as Mr. John Fontana stood in the center of the gym floor and made the eargerly awaited announcement, "Our Homecoming Queen for 1961 is—Miss Janet Corbin!" Amidst cheers and applause, Janet mounted the throne to be crowned by Sally Hutton, the Homecoming Queen for 1960. The pep rally was designed to end early so that everyone, including football players, could go home to rest up for the "big game" on Saturday. The next afternoon, Janet led the Homecoming Parade through town, regally seated in a white convertible, while the five runners-up, Carol Manware, Arlene Bouchard, Carolyn Derby, Alberta DeLuco and Kathleen Farmer, reigned as her attendants. The Football team served their queen well, by roundly defeating Cheshire High School 22-0 in a colorful Homecoming Game. Later that evening the weekend was climaxed by the annual Homecoming dance, honoring the lovely girl the students had chosen as their queen.

The five finalists, L. to R.: Arlene Bouchard, Albert Deluco, Janet Corbin, Sally Hutton, Queen 1960-61, Carol Manware, Kathy Farmer.

Annually the Student Council in conjunction with the Loyal Order of the Moose held a Youth Day, in which the students of the high school take over the town for a day. Most of the participants are from the Council and Senior class. On this page you see some scenes from the trial in the afternoon, in which Raymond Walsh was found guilty of misrepresentation and fined an absteinence from life-savers for six months.

# FOOTBALL

The Blue Knights under the able leadership of Mr. Joseph Orsene, concluded another exceptional season, posting an eight and one record. This loss was to a Class A school, however, and didn't stop our Knights, for they easily defeated their next five opponents.

The Knights showed true sportsmenship on and off the field and were often praised by opposing teams.

The team practiced daily and improved in each showing, developing into a Class B Powerhouse. They also displayed much spirit and desire which played an important part in their record. The season was ended with the traditional Plainville game and the Knights came out on top for the twelfth consecutive time. The Knights did a terrific job and richly deserve all the honor bestowed upon them.

# Cross Country

Cross Country, a fall sport which loses much of its enthusiasm to Football, is slowly but surely gaining popularity at S.H.S. Fans are coming to realize the will power and stamina that the boys display, makes for an exciting afternoon.

This year, these men of little glory but great courage, coached by Philip Goodrow and piloted by Captain Doug Schumann, had the best season a Cross Country team has had thus far. The squad participated in 10 meets and won 7 of them.

FIRST ROW L. to R.: A. D'Angelo, R. Velodota, R. Tully, D. Schumann, A. Secondo, F. Guildner, B. Palmer. SECOND ROW L. to R.: R. Riley, R. Yeich, S. Frank, J. Houle, W. Dowd, R. Smedley, Mr. Goodrow.

# Basketball

The Blue Knights after having fine basketball teams for the past eleven years were finally hit with a losing season. All the boys deserve credit, because they all worked to the best of their ability and with a little experience and a few breaks the picture would have told a different story.

A great amount of credit should go to the two coaches, Walt Lozoski and John Fontana who spent much time and patience helping the boys. One thing can be said about the team, they showed a lot of spirit and tried their best.

# Baseball

During the 1961 season the Southington High Baseball team had one of it's best seasons. The team scrambled to a tie for the Central Valley League title and then went on to become the first Southington High Baseball team to win the State Championship.

This year, because of Joseph Fontana's retirement as a coach, Mr. John Fontana will be head coach. Only six experienced men will be back on the team for the 1962 season. Even though there is a lack of experience on this years team they should have a good season because of the boys desire to win.

# Track

The Track team under the excellent guidance of Mr. Joseph Orsene and Philip Goodrow once again had a winning season. Although they lost five of twelve meets three were very close. The boys and coaches deserve a lot of credit for the fine sportsmanship shown. That and their fine spirit combined let the other schools know they were up against stiff competition.

The sport which attracted the largest group of boys in the history of the school was built mainly around the weight men who were strong in all events. The team also was fairly strong in the distance events, but were weak in the sprints. The fine showing was due to the long and dreary hours of exercising and running on the part of the boys. This year the team will look forward to a fine season under the direction of the new head coach, Mr. Joseph DePaolo.

Coach Goodrow, Tri-Captains Mike O'Connell, Gerry La Montagne and Bob Mitchell, and Coach De Paolo.

# Field Hockey

Field Hockey is the first girls sport of the school year. The Varsity Hockey team consists of twenty girls who are chosen during a two week tryout. These girls meet twice a week for practices and games. Their practice begins in early fall and continues until November. This year the girls have worked diligently under the leadership of their captain, Elaine Joyal. These girls are rewarded, by their advisor Mrs. Brackley, at the end of the season with well earned letters. Record for season 0-2-5.

# Girls' Basketball

The managers for this year's Girls Varsity and Junior Varsity teams were Judy Carlson and Rita Earl. Mrs. Brackley supervised and accompanied the team at both the home and away games.

The Varsity team, with Jean Owen as captain, was not as successful in scoring as in the attitude and sportsmanship they displayed. This season there were nine games with five losses and four wins.

The Junior Varsity team had nine games also, with six wins and three losses. The record was 4 and 5.
